EXPERIENCE

Web Developer, Neuroscientist & Coaching Psychologist

2023 - PRESENT

My focus is on exploring innovative collaborations in challenging projects utilizing my diverse skills and expertise to contribute to the advancement of neuroscience research, performance psychology coaching support to teams and individuals, and the creation of innovative web solutions.

Professionally I have worked and trained in the UK, US, Australia and Switzerland in both clinical and research settings.

EDUCATION

University of London, UK — *Masters(Developmental Neuroscience)*

2010-2012

Lorem ipsum dolor sit amet, consectetuer adipiscing elit, sed diam nonummy nibh euismod tincidunt ut laoreet dolore.
